# **EXHIBIT B**

I, Kenneth Andrew Polson of 25 Jukes Way, Wembley, in the state of Western Australia, being duly sworn make oath and say as follows:

**History of Relationship**

1. Megan and I met in Houston Texas, in September 2000. I was in the United States on a working visa.
2. We went for a holiday to the UK together and began living together at the end of May 2001 in apartment 302, 555 Butterfield Road, Houston, Texas.
3. We returned to Houston in June 2001. I continued working and Megan stayed at home and studied.
4. In December 2002 Megan had a miscarriage. Megan told me that she had suffered from depression in the past. She had previously had a baby girl with a former partner and given it up for adoption. This ordeal she said made her more depressed. We went to the doctor and Megan was prescribed pills to help but this didn't make the situation any better so she sought psychiatrist assistance. This did not help either.
5. At the beginning of 2003 a chance for a promotion arose within the company that I was working for, in Perth, Australia.
6. In March 2003, Megan and I came over to Perth for a visit to see what it was like. Whilst in Perth we hired a car and had a look around the suburbs and to see what houses were available.
7. On our return to Houston Megan found out she was pregnant.
8. I finished work in Houston in May 2003 and we went on a short holiday to London and Paris on our way to Perth.
9. We got married on the 8 December 2003 and around the same time moved into our rental home in Subiaco, a suburb close to the centre of Perth.
10. On the 22 December 2003 our son Robert Andrew Polson ('Bobby') was born.

**Arrangements for care of Bobby during the relationship**

11. As I was working fulltime Megan stayed at home to look after Bobby. When I got home from work I would help care for Bobby.
12. I did nappy changing, feeding, would wake up and assist in the middle of the night. Every morning I woke when Bobby did, changed him and took him for a walk before I went to work. We spent the weekends together and I was the one that took him to play dates and birthday parties.
13. I consider myself to be a very 'hands on' Dad.
14. When Bobby was 2 ½ he went to day care 2 to 3 days a week. Megan thought that it would help his development, as he was an only child, to interact with other children.

**Parties intention to stay in Perth**

15. It was always our intention to get residency status in Australia. We never had any discussions about going back to the United States to live as I did not have residence status in the United States.
16. I hadn't applied for jobs anywhere else and Woodside, an oil exploration company in Australia had agreed to sponsor me.
17. We were both looking forward to getting our residency and had gone through all of the necessary checks and medicals.
18. In September 2005 we moved into a new rental property in West Leederville because our rental in Subiaco was sold.
19. In October 2004 Megan's mother Marilyn came to visit us. We all had a great time together showing her around Perth.
20. In July 2007 we were granted permanent residency status.

**Time spent away from Australia**

21. We have been on numerous family holidays together. In 2005 we went to the UK for 2 ½ weeks to visit my family. In 2006 we spent 10 days in Hawaii and Singapore with Megan's mother and step father.
22. In September 2007 we organised another family holiday. Due to my work commitments Megan and Bobby went to the United States to spend time with Megan's parents. I met up with them in London and we spent time with my family and friends.
23. Shortly after we returned from this holiday I had to go to Melbourne for the weekend for work. Megan and Bobby came with me. Megan really liked Melbourne and talked about us perhaps moving there as I had a job offer from a Melbourne based company.

**Circumstances of Megan's trip to the United States**

24. Megan told me that she had enjoyed the time she had spent with her family in September 2007. Whilst she was there her family had talked about organising a family reunion for Thanksgiving.
25. I was coming up to the end of my contract with Woodside so we decided that this would be a good time for Megan to go on holiday to see her family and a great opportunity for Bobby to meet his relatives in the United States.
26. The plan was Megan was going over there for a couple of months. It was arranged that I would meet up with Megan, Bobby and her family once I'd finished with Woodside and we would decide what job offers I would consider.
27. Megan and Bobby flew to the United States on the 16 November 2007 and stayed with her Mother in Polo, Northern Illinois.
28. I spoke to Megan and Bobby on the phone regularly and wasn't aware that anything was wrong until I received an email from Megan at the end of January 2008 saying she wanted a divorce.

29. I was at that time in the process of organising my flights out there to visit. This was delayed as my VISA card had to be cancelled and re issued because of fraudulent use. Megan and I emailed back and forth organising where we would go when I arrived in the United States.
30. I ended up meeting up with Megan and Bobby in Los Angeles at least four weeks later in early March 2008. We spent seven days together and went to Hollywood, Disney World and spent a final night in Redondo Beach.
31. This was a very emotional time for both of us. I didn't want our relationship to end. Throughout the visit I still thought I was part of Megan's future plans.
32. At the end of the visit I realised that Megan was not going to come back to Australia.
33. Before I left the United States Megan agreed to let me bring Bobby to Australia at the end of May 2008 so that he could spend the American summer school holidays with me.
34. As I had at no time agreed to Bobby going to live permanently in the United States I decided that once he was with me in Australia I would commence proceedings for the Family Court in Australia to decide where Bobby should live.
35. I realised that if I commenced proceedings on my return to Australia Megan wouldn't let Bobby come with me in May 2008 therefore I waited to take further action.

#### Recent events

36. I received an email from Diane Elliot from the Law Office of K.O. Johnson dated the 24 April 2008 which enclosed a copy of Petition for Dissolution of Marriage and Waiver of Appearance **annexed 'A'**.
37. On the 3 May 2008 I received another email from Diane Elliot from the Law Office of K.O. Johnson **annexed 'B'**.
38. I wasn't prepared to sign any papers or do anything about a divorce until Bobby was with me.
39. On the 15 May 2008 I received an email from Megan **annexed 'C'** confirming that I was flying into the United States on the 25 May 2008 to get Bobby and bring him to Australia and that she would bring Bobby to my hotel. She also confirms what type of clothes she will need to pack for Bobby, that she will pack his video games for the trip, if I require both of his passports and that she will print out his latest vaccinations from school.
40. On the 22 May 2008 I sent Megan my travel and hotel information and left for the United States.
41. I arrived in Chicago on Saturday the 24 May 2008. After checking in at the Crown Plaza I was approached by a thick set man. He came across to me and said Megan has some papers she wants you to have. I ignored him and he kept barracking at me. As I went to step into the elevators he threw the documents at my back and told me I had been served and had thirty days to respond.
42. I didn't pick up the papers and went straight up to my room and rang Megan. She didn't answer her mobile or the landline at the Mothers. She did answer when I used the hotel phone. When I asked her what was going on she was asked me to go

downtown to her lawyer's office. I refused. She also asked me to go downstairs and pick up the documents. I went downstairs but the documents weren't there.

43. I decided to go outside for a walk. The man from the hotel started following and yelling at me. When I kept walking he started taking photos of me. I walked around the block and went back into the hotel through a side entrance. Whilst I was in my room someone rattled the door handle and the phone rang several times.
44. This experience rattled me and I ended up checking out of the hotel at 0500.
45. I managed to get back in contact with Megan and persuaded her to get her Mother to drive Bobby out to meet me in the foyer of the Hilton at the airport. We met in the foyer where we had something to eat and I played with Bobby for two hours before going into the airport and returning to Australia.
46. The only discussions Megan and I had during this time were about the legal papers she wanted me to sign. There were no discussions about the arrangements for Bobby.
47. I now feel the only reason Megan led me to believe Bobby would come back to Perth with me was so she could get me to sign the documents.

#### **Concerns about Bobby's welfare**

48. Up until recently Megan had been living in Polo Illinois with her parents.
49. Megan has now moved to Southern Illinois. I wasn't aware of this move until the start of June 2008 when I rang to speak to Bobby and found out he was not there.
50. I now know that she is in Murphysboro about 12 miles from Carbondale. My only contact details I have for Megan and Bobby is her mobile number.
51. Megan is now living with Jeremy. Jeremy is someone that Megan had told me she had been in a relationship previously.
52. I am concerned about Megan and Bobby living with Jeremy because of what Megan had told me about him when we first met. In particular the 'drug culture' she describe them as being apart of.
53. When I met Megan she was working as a stripper. She had told me that she used to dance nude for dollar tips and sometimes performed private dances and favours. I am worried that as she will do back to this as she is back in a relationship with Jeremy who used to be apart of this life and expose Bobby to it.

#### **Arrangements for Bobby's care in Australia**

54. I have rented a new house which I am moving house on Saturday, 7 June 2008 to provide better facilities for Bobby as I had been led to believe he was coming to Australia to be with me. My new address will be 25 Jukes Way, Wembley. The house has three bedrooms and all the usual facilities including an enclosed garden.
55. I am currently not employed so I am able to travel.
56. I have possible work lined up were I plan to work three days a week. It is possible that some of this work can be done at home. This will enable me to be able to supervise Bobby myself. However if I'm not able to do so I have made the following arrangements.

57. I have made arrangements with Debbie Murphy, an independent child minder, who has completed a Certificate 2 in Childcare and Development at Wolkow Community College in Ireland in 2002/2003. Debbie also has a current National Police Clearance. Debbie is someone that I have known for a year and a half as she has done work for a friend of mine. She would look after Bobby one day a week
58. I have also arranged for Bobby to be enrolled in Mulberrytree DayCare Wembley.
59. I will be able to drop Bobby off in the morning and Debbie will collect in the afternoon.
60. I propose that Megan can spend as much time as she want with Bobby in Australia. I may be able to assist financially with the cost of Megan's flights to Perth.

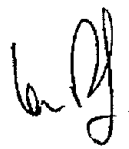

**Proposed arrangements for Bobby's return**

61. I would be able to travel to the United States to collect Bobby and return with him to Perth.
62. I may be able to travel to the United States if necessary for any hearings related to this Application for the return of Bobby.
63. I would like the United States to attempt a voluntary return of Bobby to me.

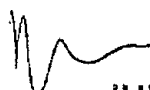

**Proceedings in the United States**

64. Annexed 'D' is a Notice of Petition for Temporary Relief in the Circuit Court for the Fifteenth Judicial Circuit Ogle County, Illinois which only came to my attention on the 5 June 2008.
65. The court date is the 12 June 2008 at 9:00 am.
66. These are the only proceedings that I am aware of in the United States.
67. I am attempting to employ a lawyer in the United States to assist me in these proceedings.
